High Efficiency Custom Fit Media Air Cleaners

The NORDYNE High Efficiency Custom Fit Media Air Cleaners are a perfect match to the NORDYNE Air Handlers. Three sizes of the media air cleaner are available to fit the “A”, “B”, and “C” size air handlers. No more transitions are required and even the screws are included for fast, easy and professional installation. This MERV 10 filter is a perfect fit, 5 1/4” deep filter with no air gaps or by-pass, plus it has low initial static pressure drop and longer service life than most other types of media filters. The replacement filters are only available through the NORDYNE dealer for guaranteed repeat sales. Heavy gauge galvanized steel cabinet and powder-coat paint finish on door, resist corrosion and provide trouble-free installation. Limited 1 Year Standard Warranty. The custom fit media air cleaner carries a system warranty if sold with a matched NORDYNE system.

STANDARD FEATURES

- Custom fit to NORDYNE air handlers, no transition necessary.
- MERV 10 rated filter removes airborne particles down to 0.3 micron.
- Perfect fit 5 1/4” deep filter, ensuring no air gaps or by-pass air.
- Media filter lasts one year in standard applications, for low maintenance.
- Lower initial static pressure drop.
- Silent operation.
- Galvanized steel construction with painted door.
- Standard 1 year limited warranty.
- System warranty if sold with a matched NORDYNE system.
